

**Family  
Letter  
H**

Dear Family,

Hello, hello! I'm Mr. H. How do you like my happy hair?

We have been talking in school about homes and families and how they are special. Your home is a special place—mainly because of the people who live there.

- ✓ Share with your child what you like about your home. Then have your child share what he/she likes about your home.
- ✓ Ask your child to draw a picture of your home and “write” about why it is special. (It's OK to use “kid writing.”)
- ✓ Tell your child about the home you lived in when you were his/her age. Show some photographs if possible. Talk about why that home was special to you.
- ✓ Keep playing the Prove It game. Help your child to find things that start with the same sound as happy hair and then Prove It: Say “happy hair home.”
- ✓ When you are reading a newspaper, magazine, or book, ask your child to “read” along with you and hunt for my capital letter H and my lowercase letter h.

Sincerely,

**Mr. H**
